Transport & Shipping

Secure transport for heavy, sensitive loads.

VORTEX transport and shipping solutions target maximum security for heavy, sensitive and high-value goods in domestic and international shipping. Wooden crates and aluminium or plastic carrying cases are engineered to each project with EVA, XPE or PU foam interior support sized to the product, its weight and its transport conditions. For export, an ISPM-15 heat-treated production option delivers durable, customs-compliant solutions.

SCOPE

- + Custom size and design
- + ISPM-15 heat-treated production
- + EVA / XPE / PU foam interior support
- + Company logo and custom marking

APPLICATIONS

- + Machinery
- + Automotive parts
- + Medical devices
- + Export shipping

TRANSPORT & SHIPPING · PRODUCT FORMS

Wooden Crate

Built to order for domestic and international shipping of heavy, sensitive and high-value goods, wooden crates are designed after analysing the product's dimensions, weight and transport conditions. Interior fixation is provided with EVA, XPE, PU foam or wooden separators as needed. With export-standard production and an optional ISPM-15 heat treatment, they are a reliable solution for machinery, automotive parts, medical devices and defence industry products.

- Export-standard production
- ISPM-15 heat-treated option
- EVA / XPE / PU foam interior support
- Reinforced corner and edge profiles
- High load capacity
- Company logo and custom marking

WOODEN CRATE

Wooden Crate

VORTEX wooden crate solutions are built to order to provide maximum security for heavy, sensitive and high-value goods in domestic and international shipping. Product dimensions, weight, handling method and shipping conditions are analysed to design the optimal crate. EVA, XPE, PU foam, wooden separators or custom fixation systems keep the product immobile inside the crate. Export-standard production, high load capacity and durable construction make it a reliable packaging solution for machinery, automotive parts, medical devices, electronic systems and defence industry products. ISPM-15 heat-treated production, company logos, custom marking and custom dimensions are available on request.

AHŞAP SANDIK

GÜÇLÜ YAPI, GÜVENLİ TAŞIMA, UZUN ÖMÜRLÜ KORUMA

Ağır, hacimli ve değerli ürünleriniz için maksimum koruma sağlayan VORTEX ahşap sandıklar, taşıma, depolama ve ihracat süreçlerinizde güvenilir çözüm ortağınızdır.

MAKSİMUM KORUMA
Kaliteli kontrol pak ve sağlam bağlantı elemanları ile ürünlerinizi darbe, titreşim ve dış etkenlere karşı korur.

ÖZEL ÖLÇÜ ÜRETİM
Ürün ölçülerinize uygun olarak tasarlanır ve üretilir. Talebe göre iç destek ve sabitleme çözümleri sunulur.

SAĞLAM YAPI
Güçlendirilmiş köşe profilleri, metal kenar korumaları ve perçinli bağlantı sistemi ile ekstra dayanıklılık sağlar.

İÇ DESTEK SEÇENEKLERİ
EVA, XPE, sünger, ahşap seperatör veya özel bölmelendirme ile ürün sabitlenerek güvenli taşıma imkânı sunar.

ÇEVRE DOSTU
Doğal ahşap malzeme kullanımı ile çevreye duyarlı, sürdürülebilir ve geri dönüştürülebilir çözümler sunar.

YÜKSEK DAYANIM **DARBE VE TİTRESİME KARŞI KORUMA** **ÖZEL ÖLÇÜ VE TASARIM SEÇENEKLERİ** **ÇEVRE DOSTU DOĞAL AHŞAP MALZEME** **İHRACATA UYGUN ÜRETİM**

TRANSPORT & SHIPPING · PRODUCT FORMS

Aluminium Carrying Case

Aluminium carrying cases in standard and custom sizes are configured with product-specific EVA and XPE interior protection. Material density, foam thickness and interior layout are optimised to the product for maximum protection through transport, storage and shipping. Their reusable build makes them ideal for test devices, measuring instruments and field equipment.

- Aluminium frame, impact-resistant body
- Product-specific EVA / XPE interior
- Metal locking system
- Light and portable
- Reusable
- Standard and custom size options

ALUMINIUM CARRYING CASE

Aluminium Carrying Case

Aluminium carrying cases in standard and custom sizes are configured with product-specific EVA and XPE interior protection systems. Material density, foam thickness and interior layout are optimised to the product's characteristics, providing maximum protection through transport, storage and shipping.

ALÜMİNYUM TAŞIMA ÇANTASI

Hassas ekipmanlarınız için şık, dayanıklı ve güvenilir taşıma çözümü.

- DAYANIKLI YAPI**
Alüminyum çerçeve ve darbelerle dayanıklı gövde.
- GENİŞ İÇ HACİM**
Ekipmanlarınız için geniş ve kullanışlı iç alan.
- GÜVENLİ KİLİT**
Metal kilitleme sistemi ile maksimum güvenlik.
- ÖZEL SÜNGER İÇ TASARIM**
Ekipmanlarınızı sabitleyebilir, darbelerle karşı korur.
- HAFİF VE TAŞINABİLİR**
Ergonomik kulp ile kolay taşıma.
